Dear Parent/Guardian,

I would like to take this opportunity to let you know that we are launching the Spice Time Credits scheme at Rhydygors School.

Spice schools aim to inspire pupils and parents to go the extra mile by contributing some time in their schools or community. In return, they will receive Time Credits which they can spend at a variety of organisations across the UK to enjoy events, training and leisure services, as well as use time credits school for school initiatives. The equation is always the same; one hour in = one hour out.

Working in partnership with Spice, your school will be creating a Time Bank which will offer opportunities to both pupils and parents to earn and spend Time Credits. Locally, you can spend Time Credits at Carmarthen Leisure Centre, Carmarthen Bowling, Scarlets rugby matches, a Cardiff Devils hockey match and many more places around Wales & the UK.

To sign up to the project is totally FREE. Please complete the enclosed form and return to school secretary. Then, when possible, come along to any of our Make A Difference Days advertised via the school's social media. You may also receive in the future notifications via your mobile about activities you may want to get involved with at the school.

Best regards,

Kelly Corcoran  
Head Teacher
